R.I. Baker Middle school

April 2011

## Students Attending R.I. Baker Middle School Next Year

The process for establishing classroom lists for the 2011 - 2012 school year will begin soon. At RIBMS, classroom placement is a team effort involving administration, the learning support teacher and classroom teachers. The goal of this team is to create the best possible learning environment for all students. At times, parental requests may negate much of the preliminary work and possibly create learning environments that are

imbalanced. Therefore, we ask that parental requests are made only for educational reasons. In addition, staffing is usually not finalized until the beginning of June. If a request is warranted, please send your request outlining your specific educational reason(s) in a letter or e-mail, to Mrs. Cynthia Fritzler, principal of R. I. Baker Middle School, ([cynthia.fritzler@palliserd.ab.ca](mailto:cynthia.fritzler@palliserd.ab.ca)). Letters need

to be in the RIBMS office by May 20, 2011. Parents of students entering Grade 7 or 8 need not make requests as students will be taught by everyone in the Grade 7 or 8 pod. The only time students spend time with their homeroom teacher is for orientation on the first day of school.

### Important Dates:

- **April 1** - April Fool's Day
- **April 6** - Booster Juice Lunch
- **April 11** - PD Day: **NO SCHOOL**
- **April 13** - Subway Lunch
- **April 18** - Track and Field Clinic
- **April 20** - Wally's Pizza Lunch
- **April 21** - Talent Show
- **April 22** - Good Friday: **NO SCHOOL**
- **April 24** - Easter Day
- **April 25 - 29** - Easter Break: **NO SCHOOL**
- **May 1-7** **Marine Biology**

## Parent Thank You's and Opportunities

We would like to thank Trish Hilgersom and Tanya Wurzer for helping out with the Lifetouch Spring photo day.

Thanks to Mindy Weir and Tovi Nalder for helping out in the canteen.

Another big thank you to Tanya Wurzer for taking on the huge job of recycling the bottles at RIBMS!

### Opportunities:

1. Canteen could still use help at noon

hours to serve the students.

2. Someone to pick up and drop off groceries for canteen (it isn't a lot!)
3. Track and Field is quickly approaching (May 12).

## Palliser Hockey Academy at RIBMS

RIBMS is pleased to offer the Palliser Hockey Academy at Baker. We run 2 groups of students: Grades 5/6 and Grades 7/8. The program is directed by Bruce Bell and assisted by our teachers, Mr. Derek Tonin (Gr. 5/6) and Mr. Jeff Smith (Gr. 7/8). The focus of the program

is on skill development. The cost of the program will be approximately \$275 for 2 hours/week ice-time running from late September to end of March. Please note that all fees: school and hockey will be due on or before September 2, 2011. If your child is interested in being a part of

this exciting program and you would like more information, please contact either Mrs. Cynthia Fritzler, principal, or Mr. Broc Higginson, vice-principal, at RIBMS. Deadline for application to the program is May 20, 2011.

## Band

**Kiwanis Music Festival** is coming up in the very near future. All RIBMS bands will be performing at the Yates Theatre in Lethbridge during the week of April 11, 2011. We are in need of a couple of parent volunteers

who are willing to ride the bus with students to and from the event. If you are interested, please contact Mr. Conrad at the school. Performance times are as follows:

- Grade 6 Band: April 12, 11:30am
- Grade 7 Band: April 14, 10:00am
- Grade 8 Band: April 14, 1:00pm

## School Council

As part of our discussion at our last council meeting, beginning in the fall of 2011, school fees will be due by Friday, September 2<sup>nd</sup>, at the end of the first week of classes. Students will not receive textbooks or lockers until fees have been paid or arrangements have been made in person with administration. Students who participate in extra-curricular will also be expected to pay their fees prior to being allowed to participate in any activity (including practices, games

and tournaments). If there are financial hardships parents will need to arrange to meet with Mrs. Fritzler to fill out a Request for Waiver of School Fees form.

In addition to our discussion about school fees we discussed discipline and detentions and our Accelerated Reading program (AR). The discussions were both informative and helpful and we would like to thank all our parents who contributed.

Our next meeting will be May 9th, at 7pm in Mr. Smith's classroom. If you would like an item added to the agenda please contact our chair: Patricia Damjanoff ([damjanoff@shaw.ca](mailto:damjanoff@shaw.ca)) or Cynthia Fritzler ([cynthia.fritzler@pallisersd.ab.ca](mailto:cynthia.fritzler@pallisersd.ab.ca)) or Broc Higginson ([broc.higginson@pallisersd.ab.ca](mailto:broc.higginson@pallisersd.ab.ca)) or at the school: 403-345-3340

## Easter Break

Students will be dismissed at 3:20 p.m. on Thursday, April 21st for the Easter Holiday break.

Students do not attend school from April 22nd- April 29th for the holiday break.

## Athletics

### Intramurals

Floor hockey finished up this month. Students had a great time playing a number of games. Congratulations to the Capitales who finished first in the grade 5/6 tournament. Team "I don't know how to pronounce this name" won the grade 7/8 component.

### Track and Field

RI Baker's annual Track & Field Meet is scheduled to run on Thursday May 12th, with the alternate of May 19th. We're looking forward, once again, to having a great day! All qualifica-

tions for the County and LSAA Track Meet will be made during our meet. All students will pick events through PE class. We're looking for parent volunteers to help out with this event. Some of the volunteer positions that need to be filled include track judges, field event judges and lunch help. Please contact Adrienne Vanhell if you are interested in being a part of our day.

### Badminton

Badminton club has been running for grade 6-8 students. Qualifications for our County and LSAA tournaments are

scheduled to take place the last week of March. Students who qualify for these tournaments will compete at the following venues.

LSAA City Championships-  
Friday April 15th

Grade 6 Girls- GPMS

Grade 6 Boys- GS Lakie

Grade 7 Girls- St. Francis

Grade 7 Boys- ICHS

Grade 8 Girls- FLVT

Grade 8 Boys- Wilson

## Track and Field Clinic

Track and Field season will jump start with a clinic at RIBMS hosted by University of Lethbridge track and field athletes on Monday, April 18

from 3:30 - 5:30.

We hope to see everyone there to have fun running, jumping and

throwing! If you have any questions please see Mrs. Thomas.

## Talent Show

On Thursday, April 21st we will be having our annual talent show.

We've already had a great response of students signing up. We invite all parents and friends to

join us at the talent show from 2:00 - 3:15 on Thursday, April 21st.

## Spring Pictures

The Spring Picture proofs need to be returned by April 6, 2011, to homeroom teachers. If you

are ordering complete the student order sheet, attach the payment envelope and return to

the school. If you are NOT ordering please return your picture proofs to the school.

## Parent Reminders

- Please be reminded that all school fees are past due. Please make cheques payable to R.I. Baker Middle School. Invoices were **sent home with Report Cards**. \*Please note that any remaining school fees will be carried over to the next school year
- Students will not be able to sign out unless we have received either a note or a phone call from their parent excusing them.
- For safety reasons, please remember that NO vehicles are to be driving in the bus loop at any time before, during, or after school.
- Please check with your child to make sure they are not running low on supplies (pencils, erasers, glue sticks, loose leaf, etc.). Please replenish if need be.

## Marine Biology

The parent meeting has come and gone and now final details are being made for our trip. There are still several waiver forms which need to be returned...please get them to us as soon as possible! Students who have not passed their

intertidal creature quizzes will have their parents contacted so arrangements can be made for after school study and testing time.

Finally, please make any outstanding payments as soon as possible to our office. A final

parent letter with 'last minute reminders' will be sent out within the next three weeks.

Mr. Davis/

Mr. Higginson

## After School Discovery (ASD) Science Fair

After school science fair has started! Our numbers are not huge but... we have several determined people ready to do their

best. After school 'science fair prep' is on Wednesday afternoons from 3:30-4:30 pm, as this

time was best suited for the students involved.

Mr. Davis

## Robofest 2011

The robots were in 'stiff competition' to cap the mock oil wells at the Robofest Robotics event held in Milk River earlier this month. Caleb Willms Woelcke and Dylan Schoenbrunn, two

students from RI Baker Middle School, provided an outstanding performance which was enough to earn them the title of "First Place Winners." They brought home the coveted 'Robofest'

trophy. Great work Caleb and Dylan... we see a bright future ahead for both of you in robotic engineering.

Mr. Davis

## Grade 5 Pod News

Mrs. Wickham and Mrs. Vegter would like take this time to congratulate all members of the “Baker Cubs”. This was the fifth year that there was a grade 5 basketball team, at Baker, and they were terrific. We had a great time working with all the players. They worked hard, and played well. Thank you also, to all their parents for the support at our games. We appreciate you!!!

On Friday, April 8, the grade 5’s will be teaching the Human sexuality objectives of the Health Unit during periods one and two. There

will be a note coming home, closer to the date, which will include the course objectives that are being covered. This note is also important to those parents who chose to excuse their child/children from this portion of the course. The note MUST be signed and returned to opt your children out. If the note does not come back to the school, it will be assumed that your child/children take this portion of the course.

Following the Easter Break, In Language Arts, the grade 5’s will begin their cross-class “Holes” unit.

This is a great book by Louis Sacher, which has been made into a Disney movie. This unit will last for approximately 5 weeks. To conclude this activity, the students will be able to work with students from the other grade 5 classes, on a wrap up project.

As the weather is constantly changing, please ensure that your child is dressed appropriately for the outside recesses.

Hope that you all have a very Hoppy Easter.

## Grade 6 Pod New

On April 6<sup>th</sup>, 8:45 A.M., the Grade 6 Pod will host an assembly to recognize student endeavors in academic and extra-curricular activities in and out of the school during the second trimester. Parents are welcome to attend this celebration. The assembly will be held in the gymnasium.

Students in Science have been truly amazed with what they have been discovering through experiments about “Air and Aerodynamics” and “Flight”. The two topics will continue in the month of April.

During the third week of April, the Grade Six teachers will be addressing the Human Sexuality curriculum objectives with the students. Mr. Conrad and Mr. Tonin will instruct the boys’ classes while Mrs. Holland and Miss Gagne will instruct the girls’

classes. There will be two separated gender specific class lessons (all boys together/all girls together) and one co-ed class lesson. Please contact your child’s Health teacher if you have any questions or concerns.

Good luck to those Grade 6 students who are representing R. I. Baker Middle School in the “City Championship” badminton tournament. The tournament will take place on April 15<sup>th</sup> in various Lethbridge schools.

A safety presentation on “quad” safety will be given to the students on April 15<sup>th</sup>. The number of accidents, hospitalization, and deaths on ATVs is increasing. The goal of this presentation is to reduce the number of these incidents through education and to make every participant aware of the need to “tread lightly” on the land we ride on.

Students will be working on story writing and newspaper articles in April to prepare for the upcoming Provincial Achievement Exams in May. Classroom teachers will have their students participate in “practice” runs to create an environment that will be similar to the day of the actual test.

The website “Exambank” has many questions that are similar to what they may encounter during the upcoming achievement exams. If your child wishes to visit the site and does not know the password, please have them ask their teacher for the specific information. Additional to this website, please have your child practice at home their basic addition, subtraction, multiplication, and division facts.

**Have a safe and enjoyable Easter break!**

## Grade 7 Pod News

A Red Carpet Assembly was held on Thursday, March 24<sup>th</sup>. This activity was hosted by the 7C class who created a 'glamorous' setting for the awards ceremony. Hats off to the students who dressed for the occasion. Honors certificates were awarded as we celebrated the success of the hard working students.

Our term three pod party was also held on Thursday, March 24<sup>th</sup>. Students who had met their AR goals and have consistently exhibited positive behaviors and work efforts attended a private screening of Yogi Bear at the Mov-

ie Mill. Only one term left to go. Please encourage your child to give their all as we hit the home stretch of grade seven.

Constable Wickend presented a program entitled "What's Out There", to all grade seven Health Classes. Issues addressed included bullying, gangs, drugs, and internet safety. These topics are extremely important to discuss with our children as they approach their teen years and they are part of our Health 7 provincial curriculum.

A reminder that the annual grade seven Zoo Trip is also only a few months away. This is a great way to

wrap-up the school year enjoying the good company of classmates as well as a neat change in environment. This trip is also a way to recognize the positive efforts of our students. However, it is important for students to remember that this trip is dependent on positive behavior choices. This trip may not be offered for students who have exhibited poor behaviors and choices. If the teaching pod has concerns regarding your child's participation, you will be contacted to discuss the situation with plenty of time and opportunity for your child to improve their choices.

## Grade 8 Pod News

**Pod Party Term 2** – The Scuba Diving and Rock Wall climbing was a great success! Congratulations to the grade 8s who worked so hard and earned the trip. Thanks for the great pictures too, I'm sure we'll see some of them on the year end Farewell slide show.

**Spring** - Spring is in the air and we know that this can be a great distraction with wanting to be outside or joining new activities and friends. Please continue to encourage your child to put in their best effort with all of their work, as we are only 3 months away from the end of the year. We wish to encourage all students to meet their AR Points Goal this term and hand in all assignments on time. Our Term 3 Pod Party is a wonderful time, and we want to reward all of our students who work hard and put in great effort.

Make sure you focus on good learning and work habits this term. AR deadline is June 13/11.

**Interdisciplinary Unit (IDU)** – This unit will be taking place April 18-21. Students will be choosing partners to work with (groups of 2 or 3) for **one** of two large projects that incorporates all 4 core subjects. They will divide the work amongst group members and create a daily plan of what they will complete. This unit is to allow students choice in work and who they will work with. The goal of this unit is to teach students useful work skills, such as creating a plan, working with others, and working independently, while covering curriculum objectives. All projects are due Thursday, April 21, by lunch.

**Great Work** – We just want to acknowledge all of our hardworking students who participate in after school activities. The sports teams

have done very well, with basketball ending in March on a good note with zones. Next up is Badminton and Track and field, so make sure you join if you are interested. We want to acknowledge the hard work of the grade 8 students who were in the spring play Murder's in the Heir, it was fabulous. Also, we were very impressed by our Band, Choir, and Hand bell students and we want to wish you good luck at Kiwanis festival.

**Term 2 Honors Assembly** – Congratulations to all of the grade 8 students who earned an Honors, Honors with Distinction, or Honors with Great Distinction certificate for Term 2. Certificates were handed out in a Pod assembly on Thursday, March 31. Keep up the great work for Term 3 and earn that Winit sticker on your year end certificate.

## Message from the Superintendent

I'd like to take this opportunity to update you on several changes to Palliser's Central Office organization, and how we're positioning ourselves for the challenges ahead.

With the retirement of Associate Superintendent (Learning Services) Barbara Gammon at the end of this school year and a number of provincial initiatives (Action on Inclusion, Inspiring Education and a new Education Act) coming, we had to take a hard look at our organization and the skill sets we need going forward. Barbara is truly irreplaceable, and we will not be filling the Associate Superintendent role when she retires.

Instead, for the 2011-12 school year, we will have three new Directors of Learning, joining Donna Dalby, currently our Director

of Curriculum, each with individual areas of responsibility for inclusion, school improvement, curriculum, technology and transportation. For more information on these appointments, see the announcement on Palliser's website ([www.pallisersd.ab.ca](http://www.pallisersd.ab.ca)).

In addition, we've eliminated the Secretary-Treasurer position which had overseen our business operations, maintenance and transportation departments and moved to a model of Corporate Treasurer, with support of an accountant, and a Corporate Secretary. The Treasurer and Secretary positions were filled internally, with their former positions eliminated, and we're now recruiting for an accountant to complete the business office.

Education is all about change - in teaching practices, student needs and expectations, and how students learn. Our systems need to change as well. I believe we will be well positioned to face the challenges ahead and the needs of our students.

We will be providing more information about the budget challenge in coming weeks. As parents, you are our partners in ensuring your children get the best education possible, whether advocating for resources or supporting your school in its path of continued improvement.

As Palliser's mission states, "Together we will ensure learning success for all students to develop their unique potential as caring citizens in a changing world."

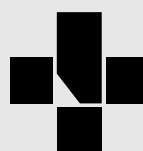

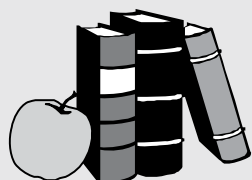

## Principal's Blurb

I noticed that Coalhurst Elementary School had a great article in the Herald regarding reading. The one statement was really interesting, 'A child who reads 20 minutes a day, five days a week will have read the equivalent of 60 full school days'. I raise this topic as parents often have questions as to why we run the AR (Accelerated Reader) program at RIBMS. It's not a perfect reading system, but it

does ensure some accountability on everyone, students, parents and teachers, that students are in fact reading. I've always said that you're not going to get better at reading unless you actually read. Nowadays, there is so much variety in what students can read, graphic novels, novels with technology,

and non-fiction books are just a sample. The twenty minutes per day is also an interesting thing. As an adult, I've finally realized that small changes everyday can lead to really big changes. I'm hoping to impart that bit of learning onto students with their reading!

## Sun Safety

As the days become longer and warmer it is time to think of protecting our skin from sunburns. We all need some sun exposure but unprotected exposure to the sun's ultraviolet rays can cause skin damage, eye damage, immune system suppression, and even cancer. Even people in their twenties can develop skin cancer. To stay safe in the sun:

- Stay out of the sun between 11 a.m. and 4 p.m.

- Look for shaded areas

- Wear sunglasses, a wide brimmed hat and long loose cotton clothing

- Apply lip balm with SPF 15 or higher

- Apply sunscreen with SPF 30 or higher protecting from UVA and UVB rays

- Do not apply sunscreen to babies under 6 months

- Babies under one year should stay out of direct sunlight

- Drink plenty of fluids, especially water.

[www.caringforkids.cps.ca/keepkidssafe/Sun.htm](http://www.caringforkids.cps.ca/keepkidssafe/Sun.htm)

## Three Underrated Foods

**Sunflower seeds.** Sunflower seeds are rarely in the spotlight. That's a shame, because sunflower seeds are as good as most nuts...and they're cheaper. For a snack, buy sunflower seeds in the shell. For tossing on salads or yogurt, buy them unsalted and shell-free. Roast them for richer flavor.

**Plain yogurt.** Plain yogurt has a tartness that's a perfect match for the natural sweetness of berries, bananas, or peaches AND it has more protein, potassium, calcium, zinc, and B vitamins than sweetened yogurt. Add a dash of vanilla for even more flavor.

**Watermelon.** Two cups of watermelon has 38 percent of a day's vitamin C and 32 percent of a day's vitamin A for only 85 fat-free and salt-free calories. Bonus: watermelon is one fruit with the fewest pesticide residues.

## Celebrate Screen-Free Week April 18 to 24

**Screen-Free Week** [www.screenfree.org](http://www.screenfree.org) (formerly TV-Turnoff) is an annual celebration where children, families, schools and communities are encouraged to turn off screens and turn on life. Time in front of screens is linked to poor school performance, childhood obesity, and attention problems. It is also primarily where children are exposed to "harmful" marketing.

Regardless of whether they are consuming "good" or "bad" programming, it's clear that screen media displaces all sorts of other activities that are integral to childhood. Instead of relying on screens for entertainment, rediscover the joys of life beyond the screen: read, daydream, explore, enjoy nature, and spend time with family and friends.

**Immunizations**

In the last 50 years, immunizations have saved more lives than any other health intervention. Infectious diseases were the leading cause of death worldwide 100 years ago. In Canada, they now cause less than five per cent of all deaths thanks to immunization programs across the country. Vaccines are still necessary to prevent diseases that have been greatly reduced or eliminated.

Immunizing your child is the best way to protect them against dangerous diseases that may have serious complications.

**Why are immunizations given?**

Immunizations protect individuals and communities by preventing the spread of disease. As more people are immunized, the disease risk for everyone is reduced.

**Are vaccines safe?**

Vaccines are safe with occasional mild, temporary side effects that may include tenderness and redness.

**When are immunizations given?**

While we recommend that immunization begin at infancy, it can be started at any age.

**How are immunizations given?**

Some immunizations are given in a single shot, while others require several doses over a period of time.

**Do adults need immunizations?**

The specific immunizations you need as an adult are determined by factors such as age, lifestyle, type and locations of travel, overall health and previous immunizations. Tetanus and diphtheria immunizations need to be repeated (booster shots) every 10 years in order to maintain immunity.

**Recommended Alberta Immunization  
Schedule for Children**

AGE	VACCINE
2 months	<ul style="list-style-type: none"> <li>• DTaP-IPV-Hib<sup>1</sup></li> <li>• Pneumococcal conjugate</li> </ul>
4 months	<ul style="list-style-type: none"> <li>• DTaP-IPV-Hib</li> <li>• Pneumococcal conjugate</li> </ul>
6 months	<ul style="list-style-type: none"> <li>• DTaP-IPV-Hib</li> </ul>
12 months	<ul style="list-style-type: none"> <li>• MMR-VZ<sup>2</sup></li> <li>• Varicella (Chickenpox)</li> <li>• Meningococcal conjugate</li> <li>• Pneumococcal conjugate</li> </ul>
18 months	<ul style="list-style-type: none"> <li>• DTaP-IPV-Hib</li> </ul>
4 to 6 years	<ul style="list-style-type: none"> <li>• DTaP-IPV<sup>3</sup></li> <li>• MMR<sup>2</sup></li> <li>• Pneumococcal conjugate</li> </ul>
Grade 5	<ul style="list-style-type: none"> <li>• Hepatitis B (3 doses)</li> <li>• HPV<sup>4</sup> (3 doses for females)</li> </ul>
Grade 9	<ul style="list-style-type: none"> <li>• dTap<sup>5</sup></li> <li>• HPV (3 doses for females)</li> <li>• Menveo<sup>6</sup></li> </ul>

Each represents one vaccine/injection unless noted.

- <sup>1</sup> Diphtheria, tetanus, acellular pertussis, polio, haemophilus influenza type b
- <sup>2</sup> Measles, mumps, rubella, Chicken pox
- <sup>3</sup> Diphtheria, tetanus, acellular pertussis, polio
- <sup>4</sup> Human papillomavirus
- <sup>5</sup> Diphtheria, tetanus, acellular pertussis
- <sup>6</sup> Meningococcal A, C, W-135, Y

Influenza immunizations are recommended for everyone over 6 months of age every fall.

To update immunizations for your child or yourself please call your local Public Health Office.

Tickets for public performances go on sale April 4, 2011!

The line-up for 2011 is **on-line** now. Sales began for School performances in early October. Tickets will be available on-line or by calling the EPCOR CENTRE Box Office at 403-294-9494. [Read more...](#)

As we start to countdown, it is important that we tell our current Friends of the Festival (Festival annual donors) about our Pre-Sale ticket period that runs from March 21 - April 1, 2011. And we'd like to let you know that if you are not currently a Friend of the Festival, that there is no better time than now! [Read more...](#)

**THANK YOU CALGARY FOR MAKING THE FESTIVAL YOUR CHOICE!**

The Calgary International Children's Festival, presented by Qualico Communities, has been recognized as "Best Festival" at the 2011 Calgary's Child Magazine Parents' Choice Awards. This is the 14th consecutive year that the Children's Festival has received this award and we are incredibly grateful to the parents and readers of Calgary's Child Magazine for this honour! The Festival was also one of two recipients of the 2011 Publisher's Award. Thank you, Calgary's Child!

**VOLUNTEERS APPLICATION DEADLINE, APRIL 12, 2011**

The Festival is now accepting applications to fill various positions during the 2011 Festival (May 24-28). Applications and a listing of available positions are accessible online at [calgarychildfest.org](http://calgarychildfest.org) or contact the Volunteer Coordinator at 403-294-7414 x 4 or [volunteers@calgarychildfest.org](mailto:volunteers@calgarychildfest.org).

**SHARE YOUR STORY**

Do you have a Festival story to share? We'd love to hear it! Find out Ruth's, Steve's, Betty's and David's stories on our [blog](#). Share your Festival story via blurb, video, interpretive dance, photo, etc -- anything that expresses you and your passion for the Calgary International Children's Festival. For more info [email](#) Carolyn. We can't wait to hear from you!

**BEAUTIFUL DAY**

What fun we had on Sunday, March 13, 2011 at the Impro Depot for the Festival's very first "So you think you can..." party in celebration of our volunteers! We will never forget the fun and cannot wait to celebrate YOU again soon! [Read More...](#)

# Coaldale Clothing Fest

*Clear Out Your Closet!*

Coaldale Mennonite Church  
is holding a Spring Clothing Fest ...

**When?** April 16, 2011 (9:00am - 2pm)

**Where?** Coaldale Mennonite Church Gym
