ELEMENTS OF RISK

Educational activity programs such as skiing and snow boarding, involve certain elements of risk. Injuries may occur while participating in these activities. The following list includes, but is not limited to, examples of the types of injuries which may result from participating in skiing/snowboarding.

Various injuries such as sprains, frost bite, cuts and bruises and other injuries associated with being outdoors, skiing and snowboarding.

The risk of sustaining these types of injuries results from the nature of the activity and can occur without fault of the student or the School Board, its employees/agents or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that you/your child may be injured.

The chance of an injury occurring can be greatly reduced by carefully following instructions at all times while engaged in the activity.

If you choose to participate in the RIBMS ski/snowboard trip on January 23, 2020, you must understand that you bear the responsibility for any injury that may occur.

The Board of Trustees of Palliser Regional School Division No. 26 does provide accidental death, disability or dismemberment or medical expense insurance on behalf of the students participating in this activity.
